# Half Day Sports & Aquatics Summer Clinics

New for 2025, the Y is introducing Half-Day Sports & Aquatics Intensives: dedicated, abbreviated sessions focused on one sport, activity, or category that provide campers and their families with extra fun, flexibility, and the opportunity to try something new! Sports & Aquatics Intensives can be attended as standalone sessions or in conjunction with concurrent camp sessions.

## Sports summer clinics:

Offerings include fishing, and land & water. See the registration page on our website for information on these camp's dates.

## Aquatic summer clinics:

Offerings include junior lifeguarding, snorkel, splashball, and intro to swim team. See the registration page on our website for information on these camp's dates.
